<b>must weight</b>	20° KMW
<b>alcoholic content %</b>	14.0
<b>acidity g/l</b>	4.5
<b>residual sugar g/l</b>	4.6
<b>drinking temperature</b>	12°C

Out of our range of outstanding wines, this one is the youngest brother, so to speak, grown on Gaisberg First Growth. It was an experiment of some sort to grow a traditional grape variety on an extremely mineral soil. Once in the cellar we decided to leave the wine on fine yeast for ten months and are now overwhelmed by its charm and strong character.
