| must weight | 18.5° KMW |
| alcoholic content % | 12 |
| acidity g/l | 7.3 |
| residual sugar g/l | 3.3 |
| drinking temperature | 10°C |

To use red grapes to make white wine is always a fascinating enterprise. We use Zweigelt grapes grown in our Bleckenweg vineyard, because its soil and microclimate are just ideal for very aromatic wines. Almost transparent, this Zweigelt boasts wonderful notes of fresh field flowers in the nose and delicate Zweigelt flavours on the palate. The long finish is supported by subtle tannins and a somewhat sizzly sensation on the tongue.
