must weight	19,5° KMW
alcoholic content %	12.5
acidity g/l	5.3
residual sugar g/l	1.3
drinking temperature	17°C

Deeply red in colour with an abundance of fruit flavours and smooth richness. I left this wine to mature in a big barrel for three months and was blessed with exquisite cherry aromas and delicate coffee tones. Even at a tender age, this Zweigelt is already perfectly balanced and wonderfully accessible.
