must weight	19.5 °KMW
alcoholic content %	12.5
acidity g/l	4.3
residual sugar g/l	3.5
drinking temperature	12 °C

AT-BIO-402
EU-Landwirtschaft

About the vineyard: The Grüner Veltliner Kamptal wine reflects a cross-section of the great vineyards from Strass. Here, primary rock, slate and gravel are vinified together. It is a worthy representative of the Kamptal Valley.
